Dear Editor,

As Grand Marshalls of this year's San Diego Pride Parade, we'd like to express our gratitude to the 15/20 Council for selecting us to preside over one of the best parades we've ever had. Everyone treated us like royalty and made us feel very special.

But the best part was the people who cheered and applauded all along the parade route. All of those prideful, happy faces were a joy to behold and we want them to know that they gave us quite a thrill. It made us feel very proud of our great community. Many, many thanks!

In the spirit of Stonewall,

Jeri Dilno, Co-Grand Marshall
